

Announcing a new method to recertify Protecting God's Children training!

As of this month, there are three ways to recertify once you have done the initial training in person. After three years, you can:

1. Take the Protecting God's Children class again (2.5-3 hours) good for three years
2. Take the ***Keeping the Promise Alive*** class (1.5 hours) good for three years
3. Read an online article every month, and take an online recertification module every year (45 minutes to an hour every year)

Your Local Safe Environment Coordinator is responsible to ask people which option they want, and then to let me know, so I can get them properly set up.

Over 20 facilitators are now enabled to teach the Keeping the Promise Alive session, each has been asked to teach at least two sessions this year. Keep your eyes out for these sessions!
